

Acceptance Lists published

Dear Parent and Players,

Thank you for entering the <Tournament Name>. Please ignore this email if you have already withdrawn after the closing deadline. I am pleased to advise you the entry lists were published on <Day> for the event. Log onto your members area of the LTA website to confirm your status. Just to remind you the tournament code is <CODE> when searching for this tournament using Competition Search.

We are currently awaiting the Wild Cards to be allocated or the spaces freed up to players on the reserve lists, in the mini events this accounts for 25% and the junior events 12.5%. The tournament was oversubscribed and it will come as a disappointment that some players appear on the reserve list or haven't been accepted (excluded) for which we can only apologise. Those players who appear on the not accepted list (exclude list) will have received a full refund already.

I have detailed some information, which I hope you will find useful, below:

Consolation

In the 12U – 18U events, there shall be a first match consolation for all singles events which will begin on the same day of losing your first match. 8U – 10U will have ample competitive opportunities incorporated into the draw format used.

A comprehensive fact sheet is available on the LTA Tournament Entry page or [by clicking on this link](#).
